

WASHINGTON NEWSLETTER

By Sen. George Smathers

WASHINGTON — The Administration's budget for the new fiscal year beginning July 1 has been sent to Congress. Buried deep within it under flood control is an item of \$3,620,000 for our long range program in Florida.

When this program was conceived and approved, principally because of its importance to the national welfare, it was envisioned as a progressive work, gaining momentum and support each year. In other words, it began with a small appropriation and as the work progressed, economy dictated increasing funds until finally the largest sum would be spent on the year of completion.

We are disappointed the administration has seen fit to ask inadequate financing, and, although pleased we were not cut off completely as we were last year, there is no alternative to pressing effort to increase this sum.

There appears a determination to postpone the period when this great project will become profitable. Failure to support it adequately will retard Florida's economy and damage natural resources. It is hoped the Congress will recognize the greater need which the budget bureau has not grasped.

Meanwhile, the people of Florida are being called upon again to face the possibility of huge losses in farms, groves and herds. The flood control system has reached the crucial stage when substantial support is required. It is like the time in battle, when the enemy is wounding and the commander throws his reserves into the fray to clinch a swift and overwhelming victory. Failure to take advantage of such a development means great suffering, possible defeat.

NEWS NOTES OFF THE CUFF. Commerce Department has assured me study is already being given to possibility of establishing a Foreign Trade Zone at Palm Beach. The zone is the sixth such operation in the nation; I have urged this step as a logical development of our growing international program. . . . New countries added to the eligible list for the orange and grapefruit export payment plan are: Austria, Belgium, Denmark, Finland, France, Germany, Greenland, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Sweden, Switzerland, and United Kingdom. . . . Request from Florida Department of VFW flat another National Cemetery be established at Palm Beach. Florida is under study by Secretary of the Army at my suggestion.

Dog Score So Far: 119 Licensed, 28 Picked Up, 125 Inoculations

BY SCHATZI
THE PAHOKEE NEWS

The third and last dog "clinic" for Pahokee-Canal Point residents to take their favorite pets for anti-rabies inoculations will be conducted Saturday from 10 to 11 a.m. at Pahokee City Hall.

Thus far, in the two-week drive to pick up strays and tag all other local dogs, between 120 and 125 dogs have been inoculated at City Hall, and 119 dog licenses have been sold, City Clerk Dorothy Graham announced yesterday.

Dr. Clarence Kidder, DVM, said that many Canal Point residents, though their dogs are not required to have licenses, have brought their pets to be inoculated against the dread rabies.

Inoculations

The "clinic" price for inoculations is \$1.50 per dog, and at the animal hospital, \$2. Dog tags for canines within Pahokee city limits are \$1 for males and \$2 for females.

City officials said that thus far 14 roving, untagged dogs have been sent to the Animal Rescue League in West Palm Beach, three dogs have been "bailed out" by their owners, and 11 are in the city pound.

Don't Just Tie Them

The city warned that dog-owners who have tied their pets in their yards "until the dog drive is over" will find that after the drive, the dogs are still liable for pickup, under the city ordinance requiring all dogs to be tagged.

All dogs not yet inoculated and tagged may be taken to City Hall tomorrow to get both jobs—inoculation and tagging—done at once.

Midway in the City of Pahokee's two-week drive to eliminate excess dogs, the second Saturday morning inoculation hour at City Hall brought quite a turnout. Photo 1, above, shows Rodney Pennington and his Brownie waiting patiently for Brownie's turn with Veterinarian Clarence Kidder. 2—Pootchski, who belongs to Mr. and Mrs. Julian Hodges, Canal Point, smiled calmly for the photographer just before he vanished through the doorway for his shot. 3—Blackie wasn't visibly nervous as he hovered around David Cunningham's feet awaiting his turn. 4—Lisa, THE PAHOKEE NEWS-bound (junior grade) wasn't the least bit backward when confronted by the king-size version of her own breed, Ardelia Smith's Duke, the large dachshund on the left.

EMH REPAINT JOB PROJECT

The redecoration of Everglades Memorial Hospital interiors, including a new paint job, will be the health auxiliary's major project of 1954. Mrs. Frank Friend, president, reported this week.

The membership drive will be conducted to raise funds for the project, which is set at an estimated \$1375.

The membership drive is scheduled to be conducted in February, to give every resident of Pahokee-Canal Point a chance to help the auxiliary and thus take part in support of the needed redecoration.

Administrator Harry Weir, citing the importance of the auxiliary in the hospital's operations, said that in the past two years the auxiliary has been responsible for the purchase of a new oxygen tent, the repainting of the nursery, assistance in the purchase of a new refrigerator, new kitchen equipment, and a new freezecake bought with proceeds from the sale of nurses' home furniture.

HOME NURSING CLASS MONDAY

The first session of the new Home Nursing class, under sponsorship of the American Red Cross, will be held Monday night at 8 p.m. at Pahokee high school auditorium.

Miss Mary J. Raley, county public health nurse, will be instructor. Class sessions will be held twice a week, according to Mrs. E. A. Jensen, who has been in charge of organizing the weekly sessions will meet will be decided by the class Monday.

'FAMILY NIGHT' PARTY TUESDAY

The annual "Family Night" party, sponsored by the Equipment Co.'s means of showing its appreciation to the Pahokee-Canal Point community, will take place Tuesday at 8 p.m. at Pahokee high school auditorium.

President F. M. Shaughnessy said the party is open to all and will include, on stage "in person," the original Ferdinand the Bull.

Besides Ferdinand, there will be dancing acts, Miss Marguerite Fay and her accordion and the team of Nardini and Nardini. All local families are invited to come and enjoy the show, Shaughnessy said.

Teen Town Needs Chaperones

The need for volunteer chaperones at Teen Town, the possibility of a local air show, and a program to speed local road improvements were among committee reports laid before the membership of the Pahokee Lions' club Tuesday night.

Adults are badly needed to be present at Teen Town sessions Friday nights from 7:30 to 11:15 at Legion Hall, E. A. Jensen announced. Mrs. Lewis Friend is chairman of Teen Town chaperones, and will be happy to have volunteer help.

Lewis' Friend suggested that the club might consider having an air show at Pahokee Airport, and will take the matter up with the Chamber of Commerce.

'Port to Commission Again
During the discussion, it was suggested that the airport still needs lights and other equipment, and that the County Commission be reminded that unless it was willing to make use of the funds it sets aside each year for airport "improvement" that it at least allow some other group to do something about improving the airport.

Manning Keen said that with the need for county and state road improvements, the Lions might consider combining with the Rotary Club for a program to include State Road Department representatives.

Bill Moss, civic improvement committee chairman, said an electric scoreboard for Lair Field was badly needed. The estimated cost of such a sign is around \$2,000.

Ladies' Night

Duncan Padgett said plans are being made for the annual Lions' Ladies' Night.

James Vann, special activities committee, reported that some of the equipment for the new equipment bought by the Lions for resale had been donated to the hospital and schools. The donation represented a saving of \$200 or more for the institutions. A large selection is still for sale by the club and can be seen at Berry's Paint Store.

Much of this equipment is suitable for hunting and outdoor cooking, Vann said.

President Curtis Chase presided at the meeting.

The average temperature of the sun is estimated at 10,000 degrees Fahrenheit.

Four-fifths of Bolivia's 3,054,000 people live at altitudes above 10,000 feet.

Open House CP PLANS FOR FSU Club PLAY PARTY

Rep. Mrs. B. Elliott will be hosts at an open house at their home on Saturday night, Feb. 6, honoring members of The Collegians, the Florida State University men's glee club, following their concert to be presented at the high school auditorium at 8 p.m.

The Collegians will be served dinner at the school cafeteria prior to the concert. Various members of the PTA are making contributions of food, money and service, and several Home Economics girls of Pahokee high school will assist with the serving of the meal. Mrs. E. A. Jensen, president, and Mrs. John A. Dulany, hospital committee, are in charge of the dinner plans. Mrs. A. D. Beverly is in charge of flowers.

The guests will be entertained overnight at the home of other members of the PTA, and served breakfast. Mrs. George B. Deauline and Mrs. Margaret Powell, public school music teacher, are in charge of these arrangements.

Members of the Pahokee Glee Club have charge of ticket sales for the concert. Admission is \$1 for adults and 50 cents for children. Proceeds from the concert will go towards purchase of new robes for Pahokee glee club members.

Tag Sale Here Is Lagging

Vehicle tag sales appeared to be lagging this week, the fourth week of sales of license plates on their Motors. The total sale was 669 tags through yesterday, Ralph Blankenship, in charge of the tag sale, said.

Breakdown thus far on tag sales is: 345 regular auto plates; 40 CV; 90 GK; 20 D; 60 P; and 84 W. plus Thursdays sale, not yet classified.

The Canal Point Lions Club made plans to cooperate with the Canal Point recreation committee in sponsoring a party for the children of the community at the new playground on which \$2,000 worth of equipment donated by the Heckshire Foundation has been installed. The date will be set for the near future and the club will furnish the ice cream and cold drinks.

The club also voted to furnish the playground with lights. It urgently requests the public to park their cars in the various parking spaces, stay off the playground lawn.

J. G. Weeks announced that the state will construct sidewalks on both sides of SR 15 at Canal Point from the bridge south one block and east one block, as the town is incorporated. This is a measure of safety for school children. The club was reported as 94 per cent for the month. W. A. Slauter and Ross Harrington, Canal Point, were guests.

FIREMEN BUSY SUNDAY, MONDAY

Pahokee's volunteer firemen were in plenty of action Sunday and Monday, with a \$7,500 blaze at Pahokee Housing Authority white camp and a house burned at Stream Line.

Fire Chief Marvin Levins said that the repair shop at the PHA camp suffered an estimated \$7,500 damage, principally in materials and lumber. That fire occurred about 9 p.m. Sunday.

A Negro residence caught fire Monday morning, probably caused by a defective stove, Levins said, and a dog locked in the house was burned to death. Jack Phillips, a volunteer, Bobby Shackford, Melvin Spooner, Sam McKinstry, Jr., Elsworth Keen, and One Jack Phillips, George Johnson, and Leo Maxwell.

Tuesday night at 8 o'clock, tentatively scheduled at Pahokee school, Pahokee and Canal Point Cub Scouts will be organized, a result of a preliminary planning meeting held last week at the high school auditorium with Scoutmaster Phelix Slonaker in charge.

Breakdown thus far on tag sales is: 345 regular auto plates; 40 CV; 90 GK; 20 D; 60 P; and 84 W. plus Thursdays sale, not yet classified.

Political Scene Crowding Already

The noise of early political campaigning was over Pahokee and Canal Point this week as Emmett S. Roberts of Belle Glade entered the race for state representative, Thurmond Knight, Pahokee, qualified for school board candidacy, and Robert T. Bardin, Canal Point, became the first candidate to qualify to succeed to the unexpired term of the late Justice of the Peace W. J. Larimore.

COUNCIL HAS VARIETY

Pahokee City Council considered a variety of problems at its regular meeting Monday night, and dealt with another sidewalk construction case.

With all members present except F. S. Parrish, who was ill, Council voted to reimburse Price Burdeshaw \$25 for the fill he put in for his sidewalk, before Council over the engineer's protest lowered the sidewalk grade six inches.

In other action, Council DECIDED to install 10 more lights on Bacom Point Rd., extending street lighting still further.

VOTED to recommend that the Florida Power & Light Co. survey Shive Island for an estimate of cost of street lights for that neighborhood.

HEARD Chief of Police Leon Guthrie's report that 20-minute bank parking signs have been erected near the Bank of Pahokee.

DECIDED to listen to City Clerk Dorothy Graham's plea for a new posting machine to replace the present weary and broken machine, and agreed that they would witness a demonstration of a new machine at the regular Council meeting Feb. 8.

Former CP School Teacher Honored

Miss Rose Biancarosa, fifth grade teacher at Canal Point school last year, has been awarded a scholarship to Florida State University beginning with the semester starting Monday.

Miss Biancarosa was given graduate research assistantship in French at FSU. She also was offered a scholarship at the University of Florida, where she has just completed a semester of work for her master's degree. She holds her bachelor's degree in modern languages from FSU.

Mrs. L. J. Fraser will accompany Miss Biancarosa, who is visiting Mrs. Alma W. Farrow and Miss Lucille Williams, back to Gainesville Saturday. Mr. Fraser will join his wife there for the graduation Saturday night of their son-in-law, Wilfred D. Davenport, from the U. of F. Pharmacy school.

COUNTY FAIR TO INCLUDE SCHOOLS

School children from every part of Palm Beach County will have an opportunity to show their work and activities at the Palm Beach County Fair, Mar. 5-13, according to J. Robert Meachem, president of the fair association.

Three times as much space will be allocated to school exhibits in the Ninth Annual Fair. Agricultural committee appointments for the fair announced by President Meachem include Claude Shirley and Joe Tom Boynton, Pahokee.

Dr. George Arceaux spoke on "Genetics as a Tool for the Amateur Plant Breeder" at the meeting of the Palm Beach Area chapter of the American Hibiscus Society at the circuit court room of county court house Tuesday.

Rotary Hears Ben Roberts

Rotarians and each member of their families should read the world, Ben Roberts told Pahokee Rotarians at their luncheon meeting last week.

Roberts, chairman of the club's magazine committee, said that his magazine, founded, American - edited magazine is a powerful instrument for reaching at the personal level nations "which have no time for Newsweek, or 'think' columnists."

On the other hand, the speaker said, the magazine must adhere to the Rotary ideal of service above self, and not become a pressure or propaganda publication.

President O. B. McClure presided at the meetings, and Elmer Jones was program chairman.

A. J. Spencer, new treasurer of the club, will be announced at last week's meeting that Mrs. Mildred Schoepel, county welfare worker, Mrs. Don Hill, and Mrs. Leon Spooner will continue to assist the club with its charitable work by investigating reported needy cases.

John A. Dulany, members of the vegetable committee to secure vegetables for the school cafeteria, made a report of tentative plans for the season.

I don't look so bad in one of those Sherlock Holmes fore-and-aft hats.
But at the curved pipe I draw the line.
Jumped into my Holmes costume to try to do a little detecting this week for the nice garden lady, Mrs. Ruth Meredith.
Between us, we are trying to recover her copy of the "Wise Garden Encyclopedia," which she loaned out nearly two years ago, and which hasn't found its way back home to yet.
Mrs. M. is a powerhouse of information on plants and shrubbery, as I know to my sorrow. Why, I can't hold a conversation with her without one paw on the encyclopedia from which I get information on our tree-named streets.
But every now and then, even Mrs. M. gets stumped — and that's when she misses her book.
"Anybody seen it lately?" I can't stay Holmes forever, remember.

CHURCHES

WMS MEETS MONDAY
The monthly meeting of the Women's Missionary Society of First Baptist Church will be held at the church Monday afternoon, 3:30 o'clock. The Fay Taylor circle will present the program with Mrs. D. W. Young, program chairman, in charge.

REV. MR. PALMER GLADES METHODIST SECY.
Rev. B. William Palmer of Canal Point was selected new secretary of the Glades Methodist Ministers Association Monday night at the home of Dr. and Mrs. Rembert A. Guy, at a dinner meeting.

He replaces Rev. Connie Driskell of Moore Haven who has been transferred to a church in the Tampa district. Dr. Guy and Dr. Nicola DiStefano presented the devotional. The February meeting will be held at the home of Rev. and Mrs. Earl Jones in Okeechobee.

The Upthegrove quartet will give a concert for the benefit of the Canal Point Methodist Church school building fund, at Canal Point community building on Friday night, Feb. 5, at 8 o'clock. There will be no charge for the concert, but a free-will offering will be taken. Members of the Zether church school class will sell pie and coffee. The quartet presented a concert at Okeechobee Thursday night for benefit of the senior class of Okeechobee high school.

The Glades Ministerial Association will conduct its January meeting Monday morning, at 10 o'clock, at the Everglades Presbyterian Church in Belle Glade with the pastor, Rev. Robert Ford, presiding. The meeting was postponed from last Monday.

Rev. Ralph Todd, of Jacksonville, former pastor of Pahokee First Methodist Church, visited in this area the first of the week en route to Cuba. He called on the C. C. Cruikshank, the B. Elliotts, and other friends in this vicinity.

WEDDINGS

HURT - NYE

Miss Anna Lee Hurt, daughter of Mr. and Mrs. Richard F. Hurt, Pahokee, became the bride of John Francis Nye, son of Mr. and Mrs. Harry V. Nye, Palm Beach, Sunday at 1 p.m. at St. Mary's Catholic Church.

Father William J. Holmes performed the double ring ceremony. Mrs. Dorothy Graham presented a program of nuptial music including the traditional wedding marches. Palms and white gladioli were used for decorations and white satin bows marked the pews.

The bride, given in marriage by her father, wore a white Chantilly lace gown designed with overskirts of nylon tulle and taffeta, extending in a train. Her veil of nylon tulle fell from a cap of Chantilly lace embroidered with seed pearls. She carried a white prayer book centered with white orchids and carnations from which fell satin streamers.

Miss Joyce Lynn Hurt, sister of the bride and maid of honor, and Miss Grace Nye, sister of the bridegroom and bridesmaid, wore identical gowns of burgundy satin with matching halves trimmed with seed pearls; also white pumps and elbow-length gloves of white, gifts from the bride.

Harry V. Nye attended his son as best man. John Sanderson and Charles Myers of Palm Beach, were ushers. Michael Nye, brother of the bridegroom and Robert Venezia were altar boys.

Mrs. Hurt wore light blue faille with white and black accessories and a white orchid corsage. Mrs. Nye wore a splash print silk with black and white accessories and white orchid corsage.

Following the wedding the bride's parents were hosts at a reception at their home. Assisting were Mrs. John Elbon, Mrs. M. I. Keen, Mrs. Lloyd Hundley, and Mrs. H. M. McIntosh.

The bridal couple are making their home at 2930 Yale Ave. in Jacksonville, following a wedding trip of the state.

Mr. and Mrs. Elbon were hosts at their home at dinner Sunday evening entertaining for the bridal couple and their families.

JUNIOR SUBSCRIPTION DRIVE SUCCESS

Subscriptions totalling \$841.10 to various publications were sold by members of the Junior Class as their annual project to finance the Junior-Senior prom and other activities.

Miss Phoebe Ann Ramey led the sales with a total of \$166 in subscriptions. She received a teddy bear as first prize, also a sales trophy and a cash prize for the largest number of sales, \$93 on the first day of the drive. Runnersup include Judy Starling with \$122; Ronnie Elliott, \$121, and Carolyn Hickerson with \$108.80. All received sales trophies, Certificates of achievement, medals to Farris Kincaid, Jon Pope, Melba Pugh and Fay Mackey, for sales exceeding \$30 each. Miss Connie Smith, class sponsor, will award the prizes at assembly.

CLUBS

Mrs. Doris Sasser, former president of the Pahokee Business & Professional Women's Club and past president of District 8 was named as an alternate delegate to the state nominating committee at the district meeting of BPW clubs held at Hotel Pennsylvania.

Attending from the Pahokee club were Mrs. Sasser, Mrs. Johnnie Davis, Miss Julia Mathis, Mrs. Alma Farrow, Mrs. Lucille Johnson, Miss Lucille Williams, Mrs. Mary Crosby, Mrs. Nancy Carpenter, Mrs. Phyllis Phillips. The group were guests of Mrs. Sasser at breakfast at her new home prior to the departing for the meeting.

ENGAGEMENTS

STUCKEY - SHULTZ

Mr. and Mrs. C. A. Stuckey announce the engagement of their daughter, Charlene Annette, of Pahokee, to Eugene Shultz, son of Mr. and Mrs. J. C. Shultz of Belle Glade.

The bride-elect is a member of the senior class at Pahokee high school and will be graduated in June. Mr. Shultz attended Belle Glade high school and was employed by a roofing company until accepting a position with the Harold Rubin Co. this week.

Plans are being made for a June wedding.

Announcement of the engagement and approaching marriage of Miss Ava RoDeaux, daughter of Mrs. Margaret RoDeaux, Portland, Ore., to Bernard B. Justice, son of Mr. and Mrs. B. Justice, Pahokee, has been made by the bride-elect's mother.

The wedding will take place Monday at the Navy Chapel in Long Beach, Cal. where the bridegroom-elect is stationed. He will leave for Japan for eight months' service around Feb. 15. Following his leave his bride will return to Portland where she is employed with a loan and finance company until he returns from overseas. They expect to make their home in Florida following the conclusion of his duty in the service.
